“ Even though I didn't know Mr. Miller I would have liked to have thanked him for his service to our country. He is a true Hero! I also would have liked to have thanked him for being a member of the Mason's. I am walking now because of the Scottish Rite Hospital. I was under their care when I was about 13 months old and am now 61. I have enjoyed a fulfilling cripple free life because of Men like him.

“ Bill Miller was a friend of mine for many years. As lawyers we had many experiences in common and Bill was always generous in sharing his wisdom and encouragement with this younger lawyer. He was always cheerful and kind with me. I shall miss him, but I will not forget my friend, Bill.

“ Mrs. Miller, Bob and John,
I first got to know Bill during the early 80s. I was a young prosecutor and Bill was a defense attorney. We tried many cases together and I always enjoyed working with him. Bill was exemplified admirable qualities; honesty and reliability. It was a blessing to know and work with him. May God bless your family.

“ Miller Family,

I knew Bill from working as an attorney in Sherman. We worked together on some cases and I always enjoyed talking with Bill. He always seemed to be happy and smiling and "on the go". I drive by his old office on a regular basis and think of him often. Although I lost contact with Bill in the last several years, I wanted to let you know that he is missed.
