

Gregory "Greg" George Treaster

May 13, 1980 - September 15, 2018

Gregory "Greg" George Treaster of Park Hills, MO and formerly of Ironton went home to be with his Lord and Savior on September 15, 2018 at the age of 38 years, 4 months, and 2 days. He was born May 13, 1980 in Farmington, MO to George H. and Marilyn (Wray)Treaster.

On August 13, 2014 Greg was united in marriage to his loving, caring, and devoted wife Alecia Frei who survives and carries on his memory.

Greg graduated from Arcadia Valley High School where he thrived in academics and music; he was the best clarinet player we have ever had. After high school Greg attended and graduated from Mid America College of Funeral Service in Jeffersonville, Indiana. While in high school, Greg had more friends than he ever knew. His laugh, smile, sense of humor and kind soul was like a magnet to others. His passion for music, his love for race cars, his loyalty to loved ones and friends, his involvement in the American Cancer Society and the Relay for Life, and his respect for fellow morticians and the funeral industry were just a pinch of what made Greg such an amazing person.

Over the last few years as he was battling his illness, Greg and Alecia were able to travel and see his friends and family all over. He wasn't going to sit and let it overtake him, he got out and celebrated his life each and every day. Even as he was in pain, he had that bright and heartwarming smile no matter what was happening.

Greg loved his high school, his hometown, his friends, his family, and especially his wife, Alecia.

Greg is survived by his beautiful and loving wife Alecia, his parents George and Marilyn Treaster, four cousins; Matthew Treaster of St. Louis, Jared Treaster of Farmington, Jennifer Martin of Potosi, and Jake Martin, Jr. of Leadinton, his father-in-law Russell Frei, Vernal, Utah, three brothers-in-law; Brandon Frei of Salt Lake City, Utah, Jakob Frei of Salt Lake City, Utah and Joshua Frei of Salt Lake City, Utah, one sister-in-law Heather Jensen, Vernal, Utah, his aunts and uncles; Tom Treaster of St. Louis and Linda Treaster of Farmington and Jake and Joyce Martin of Doe Run and many other family members and friends.

He was preceded in passing by his grandparents Thomas and Lorene (Wisdom) Treaster and James and Mable (Sitzes) Wray, mother-in-law Jeralyn Frei and a sister-in-law Heidi

Forbes.

A memorial service will be held at his home church, Stouts Creek Baptist Church on September 29th at 11am. Luncheon to follow.

In lieu of flowers and per Greg's instructions, memorials and donations may be made to his wife Alecia for her relocation. He wants Alecia to be able to move back to Utah so she can be with her family.

“ I knew I hadn't seen you comment on my page or seen any posts by you for a few weeks but I had started a new job and started homeschooling my step-son so I hadn't been on so much.

I spent the weekend at Camp Gray Rock, our Eastern Star Camp out here in the mountains and I had you on my mind this evening. Thinking of messaging you about the current political mess and something told me to go to your profile page. Even though I knew the day was coming it still sank my heart to see it and the tears are rolling while I type this.

I didn't see anything in your obituary about your Masonic ties. Those ties bound us and made you my brother. I will make a \$100 donation in your name to the Shriners children's Hospitals on the 13th of this month when they have their fundraiser at our lodge.

You are forever my brother by oath and forever my friend by heart.

You will be greatly missed my friend. Rest easy and give my Granddad and my boy hugs for me.

“ Thank you Greg, for just being “you.” We will never forget your kindness and dedication you showed our family at a time when most 12 year old boys were too busy with sports or even girls ! You will be missed by many and forever be loved by all.

“ I am tearing up as I am writing this. It is a very sad day when you get a funeral director to cry. Only Greg could accomplish that!! Greg was one of my best friends in mortuary school. When reading this, don't check for grammar errors, I don't have Greg to proof it for me. I would not have made it through mortuary school if he had

not stayed up late helping me study. I went on then to own my funeral home five years later, thanks buddy. The memories of him I will never forget. I was a three years older than Greg, he was 18 and I was 21. I had convinced him to go out to a couple of bars with me before he was 21. I promised him that he would be just fine. I told him you normally have a few beers before you go, then a lot when you are there. I told him it was easier to talk to the ladies that way. George and Marilyn must have taught him well because he would not take a sip, although Greg could find other ways to get in trouble, lol. I did convince him to go out though. He was nervous the first few times and by the third time, I look up and he is up on stage singing karaoke, what the.... That was Greg!! We had a great time during college and still had time to study together. When it is time for me to go, I will be waiting for him to pick me up in that red Chevy truck he used to have and go cruising around with my brother once again. —Jon Waterman

“ Oh Gregory.....I love you so much. My heart is deeply saddened by the loss of you. I am, however, grateful you are now pain free. Learning of your passing while in Branson....was just completely ironic, because my favorite memory of you actually took place in Branson! Just crazy.....I got to go with you and your church to a christian weekend at Silver Dollar City. You made me laugh the whole drive there and the whole drive back! You were so witty and smart and such a great friend. I loved having you as a substitute teacher. I will never forget how your smile lit up an entire room! You were truly one of the greatest people I knew. I love you so much and you will be truly missed. I am so grateful to have had you as a friend in my life....Im so glad you truly found a soulmate to help lighten your load, I cannot thank that beautiful wife of yours enough for all the love and support she gave you. Xoxo

“ Greg and I were very close growing up. We lived about a block from each other, and were always at each others houses (especially at his for ALF on Monday evenings to watch together). We joined cub scouts at the same time with his mom being our den mother, and did lots of activities together. Greg was always kind and helpful even then, and I remember when I received a concussion on my head from a monkey-bars accident in 3rd grade, and was lying on the ground bleeding - but it was grade who picked me up, and got me to the nurse. When he found out in 1992 that my dad had passed away from cancer, he tracked me down to my grandparents house, and I still remember answering the door to him and he hugging me so tight that I could not breathe. Though distance and life took us apart, I will always remember his big heart, friendly smile, and his crazy joking side. Farewell, my friend. You will be missed and remembered!
