“ As the coach of the Lesterville baseball team back in the 90s, Alan was heavy involved in our success. I was also blessed to be part of Brian and Matt's high school years. One of my fondest memories is riding back to Lesterville with him in his little pickup after we won our 1995 district title at AV. Alan was always so easy for me to talk baseball. I will dearly miss him. I can only hope that he and my beloved Jo can rest in peace together. I hope the boys can move forward knowing Alan lived a full life.
