“ Aunt Alice,
Thank you for the time you spent with us at this time last year. I hadn't been able to visit with you for quite some time. You were a wonderful presence at such an awful time.
Momma Margaret and Beth, I wish I was there for you both. This will surely bring back some memories from last year, and I am so sorry you both have to go through this again. I love you both and will be thinking of you always ❤️
