“ *Amy was a friend of mine ever since she came to Bismarck and joined our class in 5th grade. She was a quiet girl, but friendly to everyone. One of my earliest memories of her is actually from 6th grade; we had discovered that each of us knew the alphabet in sign language, so we were able to talk to each other throughout Mrs. Whitener's class without ever getting in trouble! She was a very special person who really got alot of living done in the short time she had here on earth. As a sister in Christ, I look forward to seeing her again one day. I will be praying for you all in the days ahead.*
