“ Hi, I am sad to learn of Bridget's passing. I think that she is the same Bridget that was my childhood best friend in Bloomington, IL. Our Moms were best friends as well. I was just going through old photos, and will include one here of the both of us in 1961. I was trying to find her online to share the picture with her, but it seems I am a year too late. I have good memories of our time together.
