“ *I have a lot of fond memories of Byron Brown. The Brown family were always nice and friendly to our family. One of my favorite memories of Byron and Bill was when they added on an addition to my mom and dads home. It was hot weather when their dad Carl and someone with him we're taking their boat and going fishing. My dad told them that on that hot day he would much rather be working on a house instead of going fishing. Of course we all had a good laugh. My thoughts and prayers are with your family at this time.*

“ When your heart is empty, fill it with a happy time, of a joyful smile or a caring words. Memories of love, family and friendship are treasure to carry always.  
Whatever is true, whatever is noble, whatever is right, whatever is pure, whatever is lovely, whatever is admirable --- if anything is excellent or praiseworthy --- think about such things. Philippians 4:8

Squirt was my brother in law. He was an avid fisherman and one of his greatest joys, I'm sure, is when Ryan and Erin could go fishing with him. He could fry fish that would melt in your mouth! Before he got really sick, he and Charlotte had me out for a fish fry. That was a big thrill for me, as I loved his fried fish and hushpuppies. You will be missed so much, Squirt, by so many. Thanks for being my brother in law.
