“ *My favorite memory of my great aunt Tie is when my nan nan and I stayed with her and Samantha and me and Sam sat in the floor painting our nan nan's toe nails while they was watching Bewitched and we was being goofy and they was laughing at us (eventhough we wasn't funny). Rest in Peace Aunt Tie Tie..I love and miss you already..*

“ *Nan Nan was like no other Grandma. We all loved her so much and she will be missed greatly. She was very outgoing and sparatic, and liked to dance and fish. Although she can no longer be with us, she lives on through her family. She has instilled certain values in all of us, she has taught us to be greatful and caring. She has passed on many great qualities to all of us, and taught us so much. When I see my family I will always see her through the way they all laugh and love each other.*

*Glad I got to see her in September and talk for a bit. She was a funny lady at times, she made me laugh. Once upon a time in a land far away she was my sister-in-law.*
