“ I remember one day when my dad first started getting dementia we were at the house in Fiji when he came out the door (we had shoes on the table drying) and said "huh yard sale" "Wendy will these shoes fit you" I replied "Yes dad those are mine" he said those can't be yours Wendy until we pay for them" so that day we bought those shoes.😭 Who would have known this would be the start of a long painful journey you will be missed dad but I am so glad this long very painful stressful journey is over but will never be forgotten I am blessed to have called you my Father.....🌸

😘 LOVE ALWAYS, 🐾

“ *Ladies I am deeply sorry for your loss. He will be greatly missed. I only got the honor to meet Charlie just that one time at Anisha & Micah's shower for Baby Carsen. I know there isn't any word or any phrase that will make the pain in your heart go away and I'm not gonna say any of the things everyone said to me. I just want you to know I understand completely. There is no time limit on grieving. I will say this always think about the good things and all of the funny or goofy things he did then Smile. It makes the heart ache less. My Prayers are with each and everyone of you. My God wrap his loving arms around you and give you peace. In Jesus Name. Much Love, Crystal Depew
