“ Bonnie was a wonderful friend and neighbor for the past ten years and I miss her and will never forget all our talks and good laughs we had. My heartfelt thoughts and prayers are with each of her family during this very difficult time. I know how much she loved her children and grandchildren. She is not gone, simply away, and we will get to be with her again one of these days. Hugs! to each of you.

“ *Sis Bonnie was my older twin. The 3 sisters that came to church were my sisters and my role models. Each one of us were adopted more by one and sister Bonnie was the one that took me. I love her and already feel a small void in the world. You always knew what she was thinking cause she said it. That woman always made me smile and feel so much love.*

*“ Bonnie has been my good neighbor and friend for the past ten years. We had many good conversations and laughs and I was not ready for her to leave me as I am positive her children, grandchildren, and siblings were not ready either. My heartfelt prayers and thoughts will be with her family during their loss. We must believe she is not gone, just away. and we will be with her again one day. All my love to each of you!!!!
