Clyde, When you and Jean got married I wasn't even born yet so, I can't remember Jean without Clyde. I loved the way you loved my mother! I loved the way you always took care of my sister. She never had to work, she always had a nice home, car and plenty to eat. Although, she never drove you made sure she never missed a family function. I thank you! I loved how you were such an amazing father and grandfather to my neices and nephews! I thank you! I loved how you always made me feel such a special part of your life. I will never forget you because, you always had a special place in my heart. I love you!
