“ I can share thousands of memories about Momma Colleen. The main one that stands out happened a few weeks ago. Tracie, Carissa, and myself were out at the house, sitting on the porch with Momma. We were talking and laughing and Momma was laughing too. Later that evening, Tracie called me and said Momma has a message for you. I said what's that. She said, Momma told me to tell you that us girls made her day and she had the best time. I love you Momma Colleen and will miss you terribly.
