

## Daniel Martin

January 18, 1979 - August 11, 2022

Daniel Martin of Viburnum, MO entered heaven's band of angels on Thursday, August 11, 2022 at the age of 43 years, 6 months, and 24 days. He was born January 18, 1979 in Farmington, MO, a son of Danny Martin and Jane (Maxson) Medlock.

Surviving Daniel are his parents, Danny Martin of Viburnum, MO, and Jane Medlock and husband Ed of Arnold, MO, three sons, Devin Martin of Fredericktown, MO, and Noah Martin and Aiden Martin of Sullivan, MO; two sisters, Jamie (Martin) Capriglione and husband Paul of Arnold, MO, and Tonya (Womble) Guiette and husband Michael of Arnold, MO, a niece and nephew Isabella and Jase Capriglione, his dog Bear, and many more loving family members, friends, and band mates.

After high school where he excelled in music and choir, Daniel started following his passion for music and started playing with everyone he could. He played with many different artists over the years and helped form several different bands in the area, two of the latest and most well-known being "Holding Ground" and "It Comes in Waves". Daniel was an amazing guitar player and singer and had the energy and personality to bring in the fans. He knew how to work the crowd and how to make people have fun. He also played music for different churches to show his love for the Lord. He attended the Macedonia Baptist Church in Boss, MO and loved to praise there. The Lord gave him special talents and Daniel wanted to use those talents to give thanks and praise to Him.

While he was performing and writing music, Daniel also had several different jobs. He worked as a salesman for Blackwell Motors, Rent-A-Center, and Hefner Furniture and Appliance, and also worked for Froggy 95.9 and 107.1 The Zone. These are all jobs where you need a certain personality and energy, and Daniel had it all and some.

Daniel was a wonderful son, father, brother, bandmate, and friend. He will be missed by all who were blessed to know him and love him.

Services are pending at this time.

In lieu of flowers, donations are requested for Daniel's son Devin who was injured in the accident. The donations for medical expenses can be made at the gofundme link <https://gofund.me/13f8aada>

“ To my fellow window licker, I am not good with words when it comes to things of this nature. So I am going to paraphrase a quote from a tv show that I think fits my feelings.

*"In a real sense. He's here. Daniel is a part of us. Our lives... who we all are at this moment, have been shaped by our relationships with Daniel. Well, each of us is like a delicate equation. And Daniel was the variable without which we wouldn't be who we are. We are all who we are because we knew Daniel. So, I don't need a... a God to praise him or the universe he sprang from, because I loved him. I used to try and explain love, define it as the secretion of... chemicals and hormones. But I believe now, remembering Daniel, seeing what he left us, that love cannot be explained by... science or religion. It's beyond the mind, beyond reason. What I do know-- loving Daniel...loving each other, that's what makes life worthwhile." I hope we all learned something valuable from your life. I know I sure did. Thanks for all the memories.*

“ I did not know Daniel for a very long time. I met him shortly after I had moved here, He was helpful to me in getting settled working alongside my son. He spoke quite often about his boys and how much he loved them.

*Enjoyed his playing the guitar at my son's evening firepit. You could see how important his music was to him. He will be missed. RIP Sending prayers for his family.*
