“ *Dan and I were good buddies since first grade. One of my fondest memories was when my parents took Dan and I and my little brother to Six Flags in St. Louis. This was in the either 1971 or 1972 when the park first opened. We had a blast all the way up there and back. I remember goofing around at his house a lot. He had an old Honda Passport motorcycle that we rode around the barn and pasture. Dan was a great guy and I'm sorry I did not stay in closer contact with him over the years. My condolences to his wife and family. Jim Angel, Champaign IL.*
