“ Ali and Ian I send my deepest sympathy. Your mother was an Angel. Now she is Angel watching in the sky watching over you and your brother. Why she had to go at such an early age. But we will see her again. Love you Dani and I will miss you. I will be looking for the Angels in the sky to see you. We will meet again my friend.

“ *Doob, growing up you were my very best friend. Some of my fondest memories have you in them. I'll never forget the days when you would babysit us, let us stay the night and read us stories before bed, gossiping when I was a teenager, taking me cruising, and finally letting me drive your car. Though our lives took different directions, I have always kept you in my heart. I'm am heartbroken that this is where it all ends- but I will NEVER forget you, and I hope you know that I always loved you.*
