“ Dave was a true Christian. He walked his faith and shared it daily with others every opportunity he had. Willing to help anyone in the community that was in need. He loved his children and grandchildren and would smile and light up anytime he spoke of them. Dave worked side by side with his son Andy on a lake cabin for our kids and it was such a joy watching the two work on the project together each knowing what the other was needing or doing on the project before they even spoke of the next step. They would laugh, chat then keep going day after day. It was truly a labor of love for them to work together on this project. Dave was a true gentleman never too busy to stop and answer a question that you might have . He always asked how the family was doing and a smile on his face. He left our family with many great memories that will last forever because of the cabin he built with his son Andy. Mathew 25:21. We will miss you but thank your family for sharing you with us! Prayers to the entire family.
