“ *When your heart is empty, fill it with a happy time, of a joyful smile or a caring words. Memories of love, family and friendship are treasure to carry always. Whatever is true, whatever is noble, whatever is right, whatever is pure, whatever is lovely, whatever is admirable --- if anything is excellent or praiseworthy --- think about such things. “ Don King, rest in peace. We pray for his family. Don could load more wood on a truck than anyone I knew- well my brother Gary tried. That was the King blood in my brother. I remember deer hunting with Don and Terry years ago near Bruno. From one retired autoworker to another retired autoworker- we will meet again. Again, our prayers for Trula and Don's children and grandchildren. The Keith Mccord family
