“ *When I first started bible study, Doris was there. We depended on her loving thoughts and ability to name our chapter's themes. It may not seem like much, but her voice is the one in my head when I try to figure out a chapter theme. Doris, you are much loved and will be sorely missed. Love and prayers to Jerry, Sheree, Terry, Laura and all of Doris' grandchildren and great-grandchildren. May our Father hold you in His gentle arms through this trial. We all know we will see her again when we get to go to heaven.*

“*Doris and Jerry were our second set of parents during our early childhood years in Arcadia. Doris and Deedee swapped kids once a week in order to let the other shop alone and get a lot of errands done. Between the Mayes' and the Murphy's, there were TEN of us! Of course, we all looked forward to Doris making us sweet peanut butter sandwiches. They remain a favorite in our family! We walked the back road from Thompson Lane to Reynolds Street where they lived in that big, old brick house and were often caught trying to jump through the laundry trap door that led to the basement! Sheree Mayes and I have been friends since birth, being only 2 months apart in age. We were always in trouble, but we were always loved. Mom, I thank you for the love you have given to me through the years and for staying in contact, especially after our own mother passed nearly one year ago. You will live on through all of us and I am blessed to have had you in my life! You are my hero and until we meet again, I will be selfish and grieve that you are no longer with us. Your work here on earth was done and your promotion to Heaven was much deserved! Say hello to Mom and Dad and Dale for me. I know you and Mom are catching up on all the gossip! Hello to Jerry, Sheree, Terry and Laura.

“ *I'm sure I'm not the only one on the family that remembers holidays at grandma and grandpas, especially grandma's stuffing, she and I spent a lot of time together so I could learn to make it right, she never did allow shortcuts, and it always took hours to make, but I'm so grateful now for the time she took to pass down not only her recipe but her love and wisdom.*
