“ *Hello Mom, funny how they say hindsight's 2020. It has been the year of reckoning. I know you had pain and suffering, plus the sadness that you felt, and I'm happy for you it's over and you are peacefully pain free and are my "Real" Heavenly Angel. I know you're excited to hold Paul Michael and to hold dad's hand again. Thank you for being my best and closest friend, my confidant. I will cherish ever moment we had until I see you again.*

“ *One of my most favorite days. My wedding. I'm so blessed to have you by my side and getting ready for my big moment. I was so nervous. I love that you even gave a speech at my wedding. Some very helpful guidance to a good marriage and laughter. You and Grandpa set a great example for that. I love you Grandma! ❤️*
