“ Bobbi I have known you for so long and words cannot express how devastated that I am to know that you are no longer with us. I saw you a few weeks ago at the dollar General here in Farmington but was so busy that I didn't have time to stop and chat. For that I will forever be sorry. Rest Peacefully with our Lord until we meet again.

“ *When you think of your friends parents, you don't usually think of them as anything more than just that. However, I would like to think that Bobbi and I were just as good of friends as Bobette and Emily are to me. I always enjoyed her hanging out with us! She was definitely one of a kind and will be missed dearly! My thoughts and prayers are with the family!*
