“ *Best grandmother anyone could ever have. She used to make us home made playdough, garden with us, and let us do anything and everything we wanted to do. She even let me coat her hair one time in dippety doo(so much that bit was sopping wet!) She was the BEST! We all loved her very very much❤️ Heaven has definitely gained an angel. And I'm sure the reunion with my grandfather and my dad is a blessing to her❤️*
