“ Emily and my daughter, Courtney, have been lifelong friends, attending their years of school and graduated high school together. Being close friends, her mother, Becky and I became close and we shared times together like birthday parties, school activities, and now share many memories. I never met up with Emily that she did not have that beautiful smile on her face and the free-spirited person that she was. Our family is brokenhearted over the loss of Emily and send our heartfelt condolences. 🙏❤️

Blessings,

“ Emily befriended me in high school and we bonded over music. She took me to my first rock concert, which was KoRn featuring Staind. I have always been grateful to her for opening up this door for me and sharing this experience with me. We lost touch over the years but she has and will forever hold a special place in my heart. She was a great friend will be severely missed.
