“ *Just droppin in again to say that I miss you, big brother. Not a day goes by that I don't think of you. Over 2 years has passed and you still influence every aspect of my life. I love you, bro. See you on the other side.*

“ *Just dropping in to give love to my big brother once again. Far too many memories to highlight just one and not nearly enough room on the internet to detail even just the ones that stick out most in my mind. I just wanted to say that I love you, big brother. See you on the other side.*
