“ Nobody wants to see somebody die
Nobody wants to see the man that gave them life,
the man that taught them everything to this day die.
My dad never got a second chance at life
and I never got a second chance at being a better daughter.
I wish I had just a couple more minutes with my dad to tell him how I
felt.
He was an amazing man and I never knew how great he truly was
until he died.
Daddy, you taught me everything I needed to know.
But Daddy I wish you could stay on this earth to guide me a little
ways longer.
I need you back Daddy.
I'll learn to live without your strong character, but I'll never forget it.
You'll live on Dad. I have a piece of you in me.
And while I'm still on this earth you are too.
