“ *I remember when I was about six or seven Uncle Doc saw me take a sip of my dad's beer. He said to me " You don't want to drink that stuff!" and I asked why. His response was " Don't you know that stuff is made from fish guts?" Needless to say I have never taken another sip of beer in my life!!! And I married a man that has never tasted beer or any other alcohol. Thanks Uncle Doc, I love you very much!!*
