“ *Nadine was my best friend in Walden, we had a lot of great times at the Elkhorn Cafe where she was a waitress & I was a dishwasher. I missed her a lot when she moved to Missouri. She was a very sweet person and I will miss her. Bless her family & friends. I have many great memories in my heart. Rest in peace Nadine.*

“ *My Sweet Nadine, she was more like a Granny to me than a neighbor. I will miss her so much, we always had great talks and helping one another. I always tried to do more for her but she would always get me back with something. Such a precious lady and I'm glad I was able to have her in my life. Rest in peace sweetheart and I know your not suffering and fighting for that breathe anymore.*

“ *Nadine was not just a very good friend, she was like a second mother to me. She and my mom were friends in high school . Nadine came to visit me every Sunday and that is what I am going to miss most of all. If my mom was here they would discuss things that happened " Back in the day".. She loved her family. She would get so excited when it was time to make a visit to Colorado to visit her daughters and grand and great grandchildren.. She was so proud of all of them. When she and Uncle Hughie still lived in Colorado they would come to Missouri every spring for turkey season . I was her chauffer . It was a must that we hit Sonic for onion rings. I could go on and on about this precious little woman and what an impact she had in my life. Unfortunately I had to watch as her health starting failing. It broke my heart. I will always love and miss her but I have many memories to treasure. Good bye Auntie.*
