“ Goldie was such an amazing, caring lady. I can only imagine the kind of pain her kids and grandkids are going through right now. Each of you please know that my thoughts and prayers are with you all. She spoke so highly of you. She always worried about everyone and took care of everyone else before herself. She never ceased to be able to make me smile with that personality that was all her own....She is forever in my heart and will be greatly missed. Love you Goldie. I have put photos of her with other family members on my facebook page if any of you would like to tag them to have for yourself..
