“ *I will never forget fishing in your pond, all the summers that you and the guys worked in the hay fields, I will never forget your laugh or the way that you would say no-huh uh. You were the kindest most gentlest soul. I am so proud to call you my uncle. Rest easy now your work on earth is done. May you and Aunt Marilyn have the happy ever after in Heaven that you both deserve. I love you so much and will miss you terribly.*
