“ *I used to have Hadley, his brother James and friend Carrie our for dinner. The 1st time I fixed welted lettuce the 2 brothers ate so much I thought they would get sick. They said they had not ate a meal like that since their mother cooked for them. Hadley has a special place in my heart and I will miss him dearly. Even tho I been gone for years Hadley always called me and I would go see him. Our family loved Hadley.*
