“ My dear brother, Hank, was 14 months younger than me. I was close to Hank and to my sister Barb growing up. I am so devastated to loose Hank especially because we were so close in age and we had many disagreements. I love my siblings and pray that any differences we have had are forgiven and forgotten. The love we have had is forever. May Jesus be with you always 🙏💔💔💔
I will miss you 😭

“ I'll miss Hank so much. We were great friends since the fourth grade at Edgar Road. I think everyone remembers in high school he would ride his Honda in wind, rain, hail and snow, fearless!! Hank was so kind, funny and loyal to all he knew. Heaven is lucky to have him now. Tom Helle

So saddened to hear this. Hank and I were great pals growing up. He was my best friend for years. We even hung out with Tom Helle at his farm. Had he been ill ? Seems way to young to lose him.

Jim, Hank and I relived that farm camping trip, so many times, where we were shooting sky rockets at each other and we left not knowing that sparks burned my dads cabin down, wow! what a weekend. Hank we miss you so much, Tom

“ Hank was the friend I knew the longest - more than 50 years. All the wonderful memories as we progressed from High School to College to working life - and for Hank - retirement. So much history and so many memories. I will cherish them all. He was a great friend, a wonderful person, and will be missed.

“ Always knew him as Henry starting in 7th grade through high school. One time we literally ran into each other heading back to class after lunch in Hixson Jr High. My eye took the brunt of his head and ended up with a beautiful deep purple shiner under my eye. Actually a very fond and unforgettable memory of Henry! An all around great person who will be missed by many. Prayers for peace and comfort for his family and all who knew him!
