“ *When your heart is empty, fill it with a happy time, of a joyful smile or a caring words. Memories of love, family and friendship are treasure to carry always. Whatever is true, whatever is noble, whatever is right, whatever is pure, whatever is lovely, whatever is admirable --- if anything is excellent or praiseworthy --- think about such things. Philippians 4:8*

“ Even though you always presented yourself as the "tough guy" that "didn't give a damn", you are a teddy bear at heart! Loved to listen to your stories about your life and family. You told me in the end that you had a good, full life, and you were tired, you still smiled and your eyes still sparkled, I could tell you were at Peace, it did make me sad, but I respected that you were at Peace and I knew in my heart you were going home to Jesus. Love and miss you Herb, you are my favorite patient!! I will always remember you!! Love, "your girl"-Bobbye
