“ *I played music with Jack and the Sounds of Country for about four years in the early '70's. He was a good guy and excellent steel guitar player. I will cherish those times always. My condolences to Marie and family.

“ I am so sorry to hear of Jack's passing. He was so kind, respectful and a wonderful man. I always followed him and Sonny wherever their band, the Dauphins were playing. I grew up with Jack and Sonny as they lived a couple of houses up from me in Cadet on E highway. His father Leo had a sister Gladys that was married to Jim Nephew who lived by them also. Jim was my great uncle and owned the local store. I can hear Jack laugh. You would laugh also cause it was so magical and sincere. Once again I am so sorry for your loss and praying for the family for peace.
