“ *So sorry to hear. Jim was one the first people I met when I moved here so many years ago. You'd be hard pressed to find a better man. He always made a point to say hi when I'd see him at work. Im so sorry for his family. You don't replace a man like this, and you'll never run across another as fine. I hope to meet up with you again someday my friend.*

*He was absolutely one of the best men I've ever know! He was my Great Uncle! He is in Heaven worshipping as we speak❤️! He was a comedian lol! Love to laugh and joke. Him and Aunt Reba had a beautiful long life together!! You are so right about Him! Just don't find them kind of men. I pray I could be a fraction the man he was!*
