“ Bigun was a great guy, always enjoyed chatting with him when I'd see him out. He was a friend to everyone and I was happy to call him one of mine. Prayers for Betsy and the entire family.

“ Betsy please know you all are in our thoughts and prayers . And every person walked away from talking to him left with the biggest smile on their face. Your mom was my teacher in school I can remember it to this day . I remember her bringing you into the class and interducing you to us and the look on her was nothing but joy and how proud your Mom and Dad were of you Their bouncing baby boy ..Bestie i hope this memory that is shared gives you and your family comfort . And know he is resting in the arm of our Lord. With your Mom And Dad right there beside him

“ I thank God above, to have known Johnny.. I always referred to him as easygoing Johnny, never really heard him raise his voice or get worked up about anything.. we had lots of conversations on the job about many subjects, one being our Christian faith.. He finished the race before me.. comfort and strength to all.....
