“ *Kenny was the best friend and husband a girl could ask for. We started dating when I was 17 He would come and get me out of class on Mondays to skip school. We would always go to eat then go shopping or just ride around. We bought our property out on HWY E and built our house where he still lived. We still had the best time for many years. He would always buy little gifts for me necklaces, jewelry boxes, a kitten, and even a ferret that we took to the drag races every Sunday. He always reserved Friday or Saturday for our date nights I dont think he ever missed one. I miss him so bad, I wish I could change things back to when our life was simple and happy. I wish I could get you back Kenny. I love you and hope to see you again.*

“ Ken and I had a lot of fun in high school, especially trying to keep his 68 Cougar running! One raining night it quit on the way home from Farmington Mr. Hamilton came out with the Western Auto truck and towed us in.

Our paths haven't crossed much lately, but I would visit with Ken when ever I made it home. I will always remember Ken as a good friend!

Mr Hamilton and family I am sorry for your loss and will keep you and Ken in my prayers...
