“ *Larry, was a wonderful friend & neighbor for many years, but even better Husband & father. A devoted family man he illustrated by example the importance of a close family with the love he so proudly displayed for his, wife & daughters. Larry & Bev were a perfect example of what a marriage should be, as they seemed to be inseparable over the 40 years that I have known them. When Tammy & Deanna were still living at home I don't think I ever saw a night go by that the parents and girls didn't give each other a good night kiss before bedtime. These acts of love stayed with me over the years and helped to remind me of what a good father & husband should be as I raised my own kids.. Larry could make me laugh when he was happy and somehow could also make me laugh even when he was mad about something. Larry I'll see you again soon.*

“ *We were sibling by different parents
We didn't realize we were making memories, we just knew we were having fun
Memories of love and friendship are treasures to carry always.
So when the heart is empty, we'll fill it with happy memories*

“ *I am so sorry to hear about the passing of your dear love one. I have also experienced the loss of loved ones and what helped me and many others to cope is our heavenly father God (Psalms 83:18) The bible also gives us a marvelous hope for the future and tells us that soon God will bring an end to suffering, pain and death.*

“ We are never ready to lose a loved one, family member or dear friend. I went to school with Larry many years and Bev and I were neighbors for some time when young. We went different ways for years then became reacquainted when Larry volunteered to serve on the Board where I reside. It has been a joy to be able to visit again with both and Larry will be so missed as a Bosrd member. My heartfelt thoughts and prayers go out to Bev, Daughters, and Grandchildren. Love to all of you!
