“ *We will always be thankful for the kindness that Linda and Jerry showed to us when we were first married. I was very lonely because I had never been away from home before. Linda would invite me over to spend the day and fix dinner for all of us that night. We would go shopping and play in the kiddie pool in the evening. She was a great friend to us. We want to extend our sympathy to Danette, Darrell, Steve, Raquel, Charles and all the family. May God bless and comfort you at this difficult time.*

After graduating high school I stayed with Linda and her family and worked in the St. Louis area. We would go shopping, eat out and have talks. We had a lot of good times and I'm thankful for those wonderful memories. God bless all of you and give you peace. Karen (Eaton) Morehouse
