“ Oh how we miss our Great Grandma Barker. She always made sure her great daughters knew she was loving them from afar. She sent them cards for holidays, birthdays, and just because. They always had couple dollars in them, money she won at bingo.

2018 was one of the hardest years of my life. Praise God that I had my grandma I could call.

When she moved to Missouri our relationship got even closer. We talked once a week if not a couple times a week. She allowed me to record some of these conversations. I was able to grab, in her words, what life was like growing up, when she met Grandpa Barker, when she accepted Jesus as her personal Lord and Savior and so much more.

My Grandmother... (a little joke between the two of us. She would say something so far out there that I would roll my eyes and say “oh grandmother!” She would just laugh and laugh.) ... my Grandmother was a blessing the Lord gave me and my family. She is deeply missed. Oh but what a comfort it is knowing she is with Jesus, seeing things our minds can't grasp here on earth. Praise be to God!

“ Grandma & Grandpa joined Parker and I for our high school graduation party in June of 2019. It was a fun & sweet time and I got to know Grandma better through her coming to our graduation party.

“ Kayla and I got to go visit Grandma last Christmas! It was a great visit. It's bittersweet that this was the last time we got to see her in person. We miss her and loved her greatly!
