“ *As a little girl there weren't any trips around the Fredericktown or Patton show arenas and many at Perry and Iron I have made that Doc and Melba and their granddaughter weren't watching me and being my cheer club*

*I have many fond memories of them and showing horses just wasn't showing without them there at the side of the arena or even on a trail ride in January eating chili afterwards at the saddle club*

*Love you England family your in my thoughts and prayers*
