

Misty Dawn Pippin

October 29, 1981 - May 24, 2026

Misty Dawn Pippin, of Ironton, MO, entered into rest on Sunday, May 24, 2026, at the age of 44 years, 6 months, and 26 days. She was born October 29, 1981, in St. Louis, MO, a daughter of Nancy Lewis (nee James) of Ironton, MO, and Gregory Pippin of Ironton, MO, both of whom survive. Also surviving are her son, Chase Rylan Johnson of Eunice, LA, a brother, Gregory Payton Pippin, Jr. of Houston, TX, a sister Megan Pippin of Ironton, MO, a bonus brother, Brian Hammack of Fredericktown, MO, a granddaughter, Haisley Grace Johnson, her loving and devoted life partner, Tyler Naylor of Ironton, MO, and many more loving nieces, nephews, aunts, uncles, family members and friends.

Misty was a very hard worker, working many odd jobs along side Tyler, whether it was feeding cattle and/or fixing fence. She also worked for IE Miller Trucking as a dispatcher and bookkeeper, she was a licensed CPA, she worked for several feed stores, and cleaned house for several people in and around the area. Saying she was a hard worker is almost an understatement, as she could outwork Tyler in a few areas of the farm work. Misty was also a member of the Marble Creek United Baptist Church.

Misty Dawn Pippin was a loving and devoted daughter, mother, sister, aunt, niece, friend, and partner to Tyler. She will be missed by all who were blessed to know and love her.

No formal services are scheduled at this time.

“Misty Pippin came into my life unexpectedly, but from the very beginning I felt like I had known her forever. She was one of the realest people I’ve ever met — no pretending, no judgment, just a big heart and a love for people. You could always count on Misty, and no matter what was going on, she somehow found a way to make you laugh.

She truly never met a stranger. Anywhere we went, she could strike up a conversation and leave with a new friend. She had this warmth about her that made people feel comfortable and loved. And if she cooked for you, you knew you were special — nobody could make Cajun food like Misty.

One thing I’ll never forget is how she never let a conversation end without saying “I love you.” It was just who she was — loving, caring, and genuine to her core.

I feel so blessed that our paths crossed and that I got to call her my friend. Losing her feels unreal, and I know there will never be another Misty. She left a mark on so many hearts, especially mine, and I will miss her deeply for the rest of my life.

I love you ❤️
