“ Grandpa unfortunately I was forced to say goodbye to you many years ago, no matter the love in my heart for you is eternal. You were the very best person in the whole world to me and remain in my memory that way. You always made me feel safe and loved and spending time with you is my favorite of childhood memories. I wish we could go back at least for one day and spend the day together. I am sad that you are no longer in this world but I am very excited for you as I imagine you free and happy in heaven. Someday I will hug your neck again. Until then thank you so much for being in my life. I am grateful as you were a true gift of love!
