“ *Shelli and Danielle*

I am so very sorry for your loss. I remember your Mom as a kind sweet lady. I wish we lived closer to have more contact with each other, your Mom said this same thing to me at Uncle David's funeral. At Uncle Pud's funeral your Mom and I spoke of us losing our spouses and she said to me, "It doesn't get any easier, does it, I responded "No, it doesn't ". I believe now your Mom is with her love, your Dad, and my Uncle Danny. I pray for God to comfort your family at this time.

“ So many memories came flooding over me when I learned with shock that my cousin, Pat, has passed on. We were like sisters in our early childhood and teen years. (And, our mothers were best friends before they met and married Foster brothers!) I remember spending many sleepovers at Patty's house, riding horses and rambling around for adventures through the woods. Once I even went to school with her! Since we two were the youngest cousins in the huge Foster clan, we bonded together to survive the frequent family dinners with all the aunts, uncles and our other cousins. Patty was matron of honor in my wedding (1968), and Shelli was our flower girl. I'm so sad now that distance and years separated Pat and I, but I will always cherish the special memories I have of our early years together.

Sending my condolences now to Shelli, Danielle and families....

RIP dear cousin Patty.....love you always.

“ Many memories made while hanging out at The Country Bouquet. She called me Bren💕💕 I choose to share part of our last conversation, never thinking it would be our last. Just a silly call to the flower shop, just a few days before she went to hospital, which ended by telling her how much I missed and loved her and Shelli since we moved our shop. She in turn told me the same. 💕💕 Will be immensely missed..Prayers and Condolences

“ I had not seen Patty for years. In our growing up days we spent lots of time participating in activities of our local 4-H club. Lots of Sunday afternoons were spent riding horses. I have so many wonderful memories of those days with Patty.

“ Pat and I have been friends for almost 70 years. We went through grade school, junior high and high school together. We have stayed friends over all these years and even though it might have been a long time since we spoke or saw each other it wasn't hard to connect with each other. I was lucky to meet Shelly when she was a baby and again when she came with Pat for our last class reunion 4 years ago. She reminded me so much of her mother. Unfortunately, I never got to meet Dan or Danielle but heard a lot about them and all the grandchildren from Pat. Her love and devotion to her family was evident.

RIP my dear friend. You will be missed! Love you 💕💕

Shelli and Danielle, I am so sorry to hear of your Mother's passing. I wish we were closer to have more contact with you both. I remember your Mom telling me that same thing at Uncle David's funeral. We were speaking of both losing our spouses at Uncle Pud's funeral, she said to me "It doesn't get any easier, does it?" I responded "No", I have thought of that often recently and believe your Mom is now with her love, your Dad and my Uncle Danny. I pray for God to comfort you and give you peace.

Mrs. Baughman was one of my life mentors. She always called me "Marcus" and was kind to me despite my many flaws, but that's just who she was. I always found wisdom in her advice and envied her candidness. There is much more great stuff that I could say about her, but I will leave it at that. Although I am truly sorry about her passing, I am happy than she has rejoined her beloved husband, Dan.
