“ *One of my most clear memories of my Aunt Reba, is when we visited she always, always had a glass of ice tea in one of these cups. When we went for a visit a few years ago, I so wanted to see that again and guess what? she was drinking iced tea from an orange cup just as I remembered as a kid! I had to have a picture of it.*

A finer woman never walked the Earth. I was fortunate enough to know her and Jim. I hope they are together right now.
