“ *I first met Roger through my son and daughter in-law Frankie and Staci Beard roger was always over Frankie's and we started up a friendship and I can honestly say that Roger was the sweetest most giving person what I mean by that is he gave his heart and soul if he was your friend his laughter,smiles his funny disposition you see Roger was Gay and he was a card. I loved every minute I spent with him he was always caring and could be himself around me and my family. My son and him were real close and my daughter in-law Staci he wasn't just a friend he was family. I couldn't even begin to tell a story just to many but Roger will be deeply missed you see I really loved him and never wanted anything from him except his friendship he was a very intelligent man on lots of different subjects great personality, and a smile that would melt your heart I love you Roger Twomey and we will meet again RIP*
