“ Sam as I sit here today and think of all of our times together I have tears flowing down my face.....in my heart I know you are in a much better place and can not wait until we meet again....I am selfish and wanted more time with you but I know God needed you to help him....It just seems so unfair and like it is not real!!! I just don't want to believe it!!! My heart will be sad until we meet again, but I will cherish that I will be here for Aubrey!! Thanks for sharing her with me!!! I always loved babysitting her!!! You are the most courageous woman I know and your smile will keep me going for the rest of my days!!!! Thanks for inspiring me and humbling me to know that no matter what storm we are going through....just hold your head up and SMILE....it helps you get through the storms and I know God is by my side through it all!!! Buddy and Aubrey I love you both so much too and if you need anything I would be more than happy to help out and I am only a phone call away!!! This is all my heart can take for today, but know you will be with me every second of every day and thanks for being such an AWESOME FRIEND!!! My life is forever changed because of your inspiration!!!! God please wrap your arms around us all and especially her family during this tough time!!! Thank you God for blessing us all with this Angel (Samantha Cloin) we love her dearly!!! LOVE YOU SAM!!!
