“ *My Sister, My Friend*

*I will cherish forever,  
Our time spent here together.*

*All those moments shared as we learned and grew.  
Now every purple sunset, I will think of you.*

*Every time your children need you, I'll be sure to be there too.  
Helping guide them in the way that you would want me to.*

*I wont forget our mission, I'll keep it simple and true.  
Protect the unprotected, and help them make it through.*

*I know from where your sitting, its a beautiful view.  
But my heart still bleeds tenderly every time I think of you.*

*Just like a new tattoo.  
Its beautiful, but painful too.*

*I love you Sue*
