“ *I remember most about Mr Howell was when he would stand on a step ladder at the net in the gym and hit the volleyball down at us and we would have to pick it up and volley it back over the net. I always thought he might go a little easy on us smaller, younger girls but he didn't. He was a good coach. Billie Edwards*

“ When your heart is empty, fill it with a happy time, of a joyful smile or a caring words. Memories of love, family and friendship are treasure to carry always.
Whatever is true, whatever is noble, whatever is right, whatever is pure, whatever is lovely, whatever is admirable --- if anything is excellent or praiseworthy --- think about such things. *Philippians 4:8*

“ *Mr Howell was my volley ball coach, history and drivers ed teacher. When we had volleyball practice he would stand on top of the ref stand, look you in the eye ask if you were ready and he might or might not throw the ball your way. Then stand there and smile. He loved when we would get into debates in history class and in drivers ed you better not turn around until you were done backing up and stopped. So many memories with him on them. He taught me and all my sister a and brother. He cared for every student he taught. He was a good man.*
