“ Terri had the most amazing enjoyment of life. She was such a joyful person able to find a humorous side to life. She had an infectious laugh and was generally laughing out loud, you just couldn't help laughing with her! She was a warm and friendly person. She and her grandma Peachie Jones were so close. They had the most loving of bonds and spent so many hours together. They shared their gift of joyfulness with all who came into contact with them. I had Terri in school and missed her when the family moved to Ironton. She was such a gifted comedian.....the class clown, so to speak, without an ounce of malice in her body. She was so proud of her son, her husband and family members. Rest in peace.

“ I am sorry to hear about the passing of Terri. I have such fun memories of all the time we spent together as kids. Terri was always so much fun to be with. Her smile could brighten a room. But her laugh was the best and so contagious. I am praying for all of Terri's family during this difficult time.

“ I am very saddened to hear of Terri's passing. I have wonderful memories of spending time as a child with her and Jenny when we spent most of our summer in Annapolis with our grandmas. The one that is burned in my memory the most is when Aunt Peach and my grandma,, Marie Smith decided we all needed to experience and know how to kill, scaled, pluck and cook a fresh chicken. I am praying that God will comfort you today and all of the tough days to come.
