“ Mousie as his old friends called him was a very close friend to us for many years. Loved his smile and sense of humor! Now I must say he was ornery once or twice, but, we loved him and he will be missed.  
Condolences to his loved ones...they are like family!

“ Tommy Moise. What a guy. He always treated me with kindness and respect. Anytime we met at the store, gas station,....he always stopped and we'd talk anywhere from 5 minutes to half an hour or more. I've treasured those mini-visits; I really did. I have missed seeing him around town lately (and longer). It breaks my heart that another one of our great friends have passed on. Yes, of course I'm glad he is no longer suffering, but I think of the good times through high school and our years living here in the valley. Dang it all, you guys, I am so sorry he is gone. My heart is breaking for you. (Unfortunately I won't be in town to attend his services and pay my respects. I will be thinking of you guys and of course I will be praying. Hang in there. <3 )
