“ *I heard to day of the passing of Tom, Tom an I were both on the Pilot Knob Fire Department during our high school years. But as life happens we lost contact with each other after graduation in 1969, I last heard Tom was in St Charles Mo, but I was never able to locate him, we had many good times during those years, we could hear the siren when at school. We were allowed to leave school to fight the fire.*

I would just like to tell the family I am so sorry for your loss. Even though I never saw Tom I always considered him a good friend.

“ Though we didn't get much time together, he reminded me a lot of my brother Neuman in that in spite of challenges that would make most people fold, they tried to make the best of it, and tried to share as much love and laughter as they could with those around them. Tommy will be greatly missed, and my condolences to my family for thier loss.
